LEADERSHIP INSTITUTE

March 26, 2011 8 a.m.-8 p.m.

The 2011 Leadership Institute includes new topics that will directly impact you and your members. Come and learn about the Workforce Investment Board and how members and their families can benefit from it. Have you even been curious about how to run for public office? You will be trained on how you can really make a difference by running for public office. Every chapter needs to know how to endorse classified friendly school board candidates—the 1-day training will teach you the process. The Leadership Institute will prepare you as a member leader to march into the new decade with the tools to make a difference!

Registration and breakfast will take place on Saturday, March 26 from 8:00 a.m.-9:00 a.m. Welcome and Morning Program begins at 9:00 a.m.

Please register using the form on the right.

*Register early as space is limited.
Registration Deadline: March 4, 2011.*
