

God Bless CSEA Chapter 116 Members,

Thank you CSEA Chapter 116 members for allowing me to be your Chapter President. I am truly grateful for this opportunity. I want to wish everyone a Happy New Year and great success to all. Also, I want to take the time to commend our past Presidents for doing a fine job on representing all of us; at all cost. I want to represent all Chapter 116 members as prompt and professional as possible. Let me share a few ideals with you:

First, I want to survey our chapter members and find out when is a good time to have our chapter meetings (once a month). In the past, I noticed that a few members would attend the meetings and others were unable to make the meetings due to the time of the chapter meetings. Also, some members did not know about pertinent issues until it was too late. Here is the opportunity to express a time that we can come together and discuss vital information that affect us during these trying times. Please look forward to the chapter survey this month.

Next, I hope to see more members attend CSEA trainings. These trainings are EXCELLENT!!! I learn so much from these trainings. Most of the trainings are paid for through our membership dues. Learn as much as you can and as often as you can to improve your work environment. I encourage more members to be job stewards and committee members.

Lastly, our newsletter is a great way to communicate to each other. Please take the time to share your favorite recipes, community events, legislative changes, etc... More so, I will continue to use the newsletter to share information with emphasis on district and community events. Also, look forward to our newsletter and other information on our website: www.csea.com. Login and look for monthly updates.

Let us look ahead to brighter days:

My prayer:

Do not pray for easy lives,
Pray to be stronger people,
Do not pray for tasks equal to your power,
Pray for power equal to your tasks,
Then the doing of your work will be no miracle,
But you shall be the miracle.

God Bless!!!
