Dana reported that the Vice Presidents will be going through the budget to cut 10%. Dana also let members know that it was possible we would have to take 3 weeks off in December. She explained that the balanced budget will be sent to the board on the 16th which isn't a lot of time. Our option is to pull the budget and rally together. Dana reported that the District said that Faculty already gave their fare share, which wasn't true. Their overload is lost which is just like our overtime. She explained to members that the Classified shouldn't have to take the full load of the budget. Dana urged members to email and talk to the Board of Trustees.
