- Get involved in a public action to show our legislators that students matter—we ARE the future!
- Learn what you can do to better California public education.

Dear Colleagues,

We ask that each of you support the March 4th “Day of Action” in the Fight for California’s Future: Restore the Promise of Public Education.

What can you DO?

- 1] Read the flyer on the other side of this paper in each of your classes, encourage your students to participate in the Cuyamaca “Teach-Out” and the Balboa Park Rally, and then post the flyer in your classrooms.
- 2] If you are teaching a class at 12:30-2:30pm on March 4th, please bring your entire class to the “Teach-Out”
- 3] If you have classes during other times of the day, please utilize some of the “In-Class” materials we will be sending you electronically to help your students better understand the California Budget, how it affects their education, and what they can do about it.

Together, we will make a difference!
