Buy one day, get a year free at Universal Studios

Purchase tickets from CSEA for \$64, which entitles you to an annual pass to Universal Studios for the same price as a one-day ticket.

Stressed over taxes?

Use Union Plus Online Tax Preparation Services for an easy, inexpensive online solution to your tax preparation woes.

This simple and easy-to-use tool automatically calculates your taxes and helps minimize errors. You can save information and start again later, so you don't have to complete your tax returns all at one time. Year-to-year information is also saved so you can import information from a prior year's return.

You can file your federal (\$14.95) and state (\$19.95) returns for a total cost of \$34.90.

If your adjusted gross income (AGI) is between \$12,000 and \$54,000, your federal tax return is FREE, so you just pay for the state return. You are not charged until you either file your income tax return online or print your tax return.

Using this service along with the built-in e-filing means you could get your tax refund within a couple of weeks without high-cost "rapid refund" income tax preparation service fees.

Go to www.unionplus.org/taxes for more information about Union Plus Online Tax Preparation Services or to file your taxes today!

CSEA Field Offices

Tickets are available from the Fresno and Rancho Cucamonga field offices by mail (allow 10 days for delivery) or in person from 8:15 a.m. to 4:45 p.m., Monday through Friday. Field offices cannot accept cash. To avoid an unnecessary trip, always call these field offices to make sure they're open and have the tickets you want.
