The new superintendent says that it doesn’t matter if there is a new school board. . . . School board members are not allowed to question or criticize the new superintendent or his staff.

Officer’s Report – 2nd VP ~ There was a site rep and cluster leader training on September 15. Thank you to everyone that attended and it was great to see several new people getting involved. **Sec** ~ It’s very important to get out to vote, no matter who you are supporting in the up coming election. That vote could make a difference. Be sure to sign in legibly as the Attendance Record is an important record that needs to be kept. Be sure to join the Victory Club as this is the only way that moneys go to political action. No money from dues go into anything political. It takes as little as one dollar per month to make a difference. **Trea** ~ the treasure is out of town but left the budget for the month. The chapter had a beginning budget of \$18,560.06 with expenditures of \$2,459.60 leaving a balance of \$16,100.46. There was no income for the month. **1st VP** ~ as of the current report the chapter has 1,679 members and 1,216 fair share payees. It is important that the Site Reps recruit the fair share payees and new employees. There will be a list going out to the Site Rep soon to let them know who members are and who are not.

Job Steward Report ~ There has been lots of complaints coming thru the job steward line. People are asking about doing work that is not on their job description. Please leave an accurate phone number and answers will follow.

Pre-retirement Committee – A Pre-retirement seminar will be held on January 31 at the SDCOE in room 401. Call the field office to make a reservation.
