

## **Worth considering...**

First they laid off the grounds keepers  
and I did not speak out -  
because I was not a grounds keeper.

Then they contracted out our bus drivers  
and I did not speak out -  
because I was not a bus driver.

Then they laid off the instructional assistants  
and I did not speak out -  
because I was not an instructional assistant.

Then they came for my job -  
and there was no one left  
to speak out for me.

**DON'T WAIT - SPEAK OUT NOW!**
