Section 5: UNIT MEMBER DISCIPLINE

A. No unit member shall be disciplined without cause. Unit members shall have the right to have a representative of their choice present at any conference between the unit member and the District at which unit member discipline is intended to be administered or during which the unit member reasonably believes the investigation may lead to disciplinary action.

B. Unit member discipline is defined as suspension, demotion, dismissal, or voluntary resignation in lieu of dismissal.

C. When, in the judgment of the District, the primary purpose of the initial conference is to impose, or to recommend the imposition of discipline against the unit member, the unit member shall first be entitled to receive written notice of said purpose and of his/her rights to representation at least twenty-four (24) hours in advance of convening the conference.

D. This Section shall not apply to suspensions resulting from charges or arrests for criminal acts for which suspension is provided in Article IX, Section 4, of the **Employment Regulations for the Classified**
