## NEGOTIATIONS UPDATE

### Office-Technical & Business Services Chapter 788

**DATE:** April 9, 2010

**ITEMS DISCUSSED:**

On Tuesday, April 6, 2010 your OTBS Negotiations Team met with the District.

The Neg. Team and the District traded proposals, concerning language changes to Hours and Employer Rights.

The Neg. Team and the District are still in disagreement of what proper concessions the OTBS unit should make, due to the fact that the Neg. Team believes layoffs are looming for the bargaining unit.

The Neg. Team stands united in agreeing to a fair settlement that is a fair agreement for all employees.

The Neg. Team also traded proposals in ensuring that salary increases that are given in future years are the same for the OTBS unit.

**Next Scheduled Session: April 27, 2010**
