***** CALL TO ACTION *****

School workers are absolutely essential to our public schools. We clean and sanitize the schools. We provide for reliable and safe transportation to get our children to school. We allow for the efficient operation and maintenance of all our buildings. We answer the phones and assist parents and students in all offices. We prepare nutritious meals in the cafeteria for all students. We also provide the help and support they need in the classroom to be successful.

***** WEAR BLUE ON THURSDAY, MARCH 10 *****
