

We say, "I'm in" for respect on the job and to secure the benefits our families rely on. We say, "I'm in" to make a difference. We say, "I'm in" to improve the lives of students and all classified employees. As CSEA members, we say "I'm in" for all these reasons and more.

"I'm in for strength in numbers."

We stand together, and our bosses have to respect us. We negotiate the best contracts because administrators know that our unity is unbreakable.

"I'm in to make a difference."

CSEA gives me the tools I need to serve the students and stand with my co-workers.

Being a CSEA member..

is like being part of a family. We defend and advocate for each other, whether it's by fighting unfair treatment on the job or by helping a fellow member who needs assistance. Our unity makes us strong and helps us earn the respect we deserve for dedicating our lives to serving the students of California.
